Just in case of any such unassured conditions we will inform you if any additional fees are required or not before you make a booking with us.

Information on Health and Medical Evidence/Assistance:

We need to know about our health and the medical information during our Nepal Tour. As mentioned earlier our squads are well-experienced travelers and are achieving the traveler's ambition since long. We are expert in the adventurous tour and the best thing is we all are from the Himalayan region with plenty of local knowledge as we have been guiding for a decade, which stands as a key factor to enunciate the standard service that we have been delivering to our clients. The utmost thing we believe is the client's safety and satisfaction. We deliver the extraordinary series of quality services and we even take care personally of our clients during the pour trip. Each of our guides carries medical kit bag for any kind of worst-case scenario during our trip and all of them are trained medical assistance especially the "First Aid".

Environmental Anxieties:

Our motto is sustainable development thus we are extremely sensitive to protect our nature i.e. environment and contributing to many environmental cleanup and nature saving campaigns. We do believe in "Tourism within Nature," thus our responsible tourism conveys a good message to the locals and we vow and train them to do's and don'ts, how to keep environment in perfect shape, how to eliminate environmental degradation etc. and how to conveys message to save environment and leads towards environment friendly

society or country. The tourism industry has an obligation to protect and preserve the natural environment for future generations as well. These days many NGOs are collaborating with many tourism agencies and are much keen to save environment from doom. For example, Kathmandu Environmental Education Project (KEEP) (<http://www.keepnepal.org>) is helping to co-work with many trekking companies and this organization is also providing much useful training to our staffs and awareness program in the mountain.
